

## Copy and Restoration Services

### Archival Assessment

Bring in up to 50 items and we will evaluate them and give you suggestions on storage, repair, or possible projects. This fee will be credited toward an order of \$100 or more in restoration work. This assessment does not require a purchase of any kind.

Up to 50 items ..... \$25

### Professional Quality Print Scanning

In some cases, your original photograph may be in great condition -- but it's the only one you have. Take advantage of our professional print scanning service. We use the finest optics available to reproduce your original with the sharpest results possible.

Scan Small (8x10 and smaller in size) ..... \$10

Scan Large (larger than 8x10)..... \$20+

Quantity discounts may be available based on the total job.

### Risk-free Restoration

Bringing an old photograph back to life is a form of art. It takes hours of skilled craftsmanship and love to restore your precious memories. Because some photographs may require more care and attention than others, we offer various levels of restoration services. (For your piece of mind, all restoration is done on a copy print, so there's absolutely no damage to your original and it never leaves our studio.)

Level 1 Basic Restoration..... \$10
